- Leader of the evaluation of the Asia-Europe Migration Project of Asia-Europe Foundation (Singapore, funded by the EU and FES). (2016)
- Researcher in the project “Chances and Experiences of third-country nationals in Hungary” funded by the European Integration Fund (2011)
- Researcher in the cross-country research project “Concordia Discors”, which investigates the mechanisms of integration of third country nationals living in Budapest, funded by the European Integration Fund (2010-2012)
- Participant in the cross-country research project “EUBORDERREGIONS—European Regions, EU External Borders and the Immediate Neighbours. Analysing Regional Development Options through Policies and Practices of Cross-Border Co-operation” (FP7-SSH-2010-2, 2010-2013)

- Researcher in the collaborative research EU FP7 project entitled “Interplay of European, National and Regional Identities: nations between states along the new Eastern borders of the EU” (2008–2010)
- Researcher in the EU FP6 research “IDEA: Mediterranean and Eastern European Countries as New Immigration Destinations in the EU”, with a special focus on the situation of xenophobia in Hungary and the other Visegrad countries (2006–2009)
- Researcher and coordinator of the technical coordinator team in the Pilot Media Project from the aspect of minorities, incl. migrants and diversity issues in 6 EU countries, commissioned by The European Union Agency for Fundamental Rights (FRA) (2008)

**Research projects in the recent past related to the *Roma minority*:**

- Methodological and data infrastructure report on Roma people in the EU FP7 project InGRID (Inclusive Growth Research Infrastructure Diffusion) WP20 “Innovative tools and protocols for poverty and living condition” (2014-2015)
- Country expert in the research project “Study on the diversity within the teaching profession with particular focus on migrant and/or minority background” carried out by Ecorys UK, commissioned by DG Education and Culture of the European Commission (2015)
- Several roles in different work packages (WP) in the EU FP7 research project “IMPROVE: Poverty Reduction in Europe: Social policy and innovation”, led by the University of Antwerp (2012-2016):
  - Leader of the work package “Integration policies focused on Roma” (WP10)
  - Elaborating case studies on Hungarian social innovation programmes targeting vulnerable groups in the work package on social innovation (WP11):
    - ◆ *Study halls (tanoda) for Roma and vulnerable children in Hungary*
    - ◆ *Charity shops as employment alternatives in Hungary*
    - ◆ *Housing First in Hungary – An international initiative to help homeless people to move into apartments directly from the street.*
- Monitoring and evaluation of the Hungarian Roma Strategy (Hungarian National Inclusion Strategy: Extreme poverty, child poverty, the Roma), commissioned by the Hungarian Ministry of Human Resources State Secretariat for Social Inclusion (2013-2014)
- Evaluation of the social policy programmes carried out in Hungary in the framework of the international project “Social innovation and mutual learning on Micro-savings in Europe” (SIMS) targeting poor Roma communities, funded by the EC, commissioned by CREDOC (FR) (2013)
- Consultant for UNICEF Regional Office for Central and Eastern Europe; Analysis of MICS4 data on Roma settlements in Serbia, FYROM and Bosnia and Herzegovina (2012-2013)
- Consultant for the improvement of the indicators of the Hungarian Roma Strategy (Hungarian National Social Inclusion Strategy – Extreme Poverty, Child Poverty, The Roma 2011-2020), commissioned by the Ministry of Public Administration and Justice, State Secretariat for Social Inclusion (2012)
- Leader of the research on “Development of indicators on attitudes towards Roma population”, commissioned by the Hungarian National Development Agency (2008)
- Policy Brief on “How to Improve the Situation of Eastern European Roma?” within the framework of the project “European Observatory on the Social Situation” commissioned by the DG Employment, Social Affairs and Equal Opportunities, European Commission (2007)

- Project coordinator and researcher in the research “Monitoring of Roma scholarship holder students in Hungary”, commissioned by the Ministry of Social Affairs and Labour (2007)
- Horizontal evaluator in the project “Horizontal Ex-ante Evaluations of the National Strategic Reference Framework for the EU Structural Funds from 2007 to 2013” from the aspect of the people in disadvantaged social situation, commissioned by the Hungarian National Development Agency (NFU). (2006)
- Report on The Situation of the Roma in Central and Eastern Europe within the framework of the project “European Observatory on the Social Situation” commissioned by the DG Employment, Social Affairs and Equal Opportunities, European Commission (2006)
- Coordinator in the policy oriented project entitled “Barriers to Roma employment in Hungary” based on qualitative methods and desk research commissioned by UNDP. The aim of the research was to provide policy recommendations and proposals on increasing the labour market involvement of the Roma in short- and mid-term. (2005)
- Coordinator of the Hungarian research in the South and Central European cross-country empirical research on Roma titled “Survey on Vulnerable Groups: Roma, Internally Displaced Persons and Refugees in South Eastern Europe and Central Eastern Europe” commissioned by UNDP (2004)
- Leader of the research on Hungarian minorities titled “Evaluation of the Governmental Minority Policy by the Hungarian National and Ethnic Minorities” commissioned by the Prime Minister’s Office. (2004)
- Leader and researcher in the empirical research on Roma Migration in the Context of Hungarian Migration Processes (funded by Hungarian Scientific Research Fund OTKA) (2002–2005)

**Research projects related to *disabled people*:**

- Leader of the research “Exploring the development of clients, programmes and activities in day care institutions for disabled people in Hungary”, commissioned by Ministry of Human Capacities (2016-2017)
- Leader of the research “New dimension in social protection towards community based living of disabled people in Hungary”, funded by ESF, commissioned by the Equal Opportunities of Persons with Disabilities Non-profit Ltd. Hungary (FSZK) (2015-2016)
- Methodological expert and moderator in focus groups with people diagnosed with schizophrenia in the international research project “Mobile Therapeutic Attention for Patients with Treatment Resistant Schizophrenia” (m-resist), on behalf of SOTE Semmelweis Medical University, Budapest (2015)
- Leader of the survey and analysis on the situation of disabled people in Hungary for the Institute of Social Policy and Labour as a part of the Social Renewal Operational Programme 5.4.1., funded by ESF (2010-2011)
- Elaboration of basic indicators for the New Hungary Development Plan on general trust in society and prejudices towards disabled people, commissioned by the Hungarian National Development Agency (NFU). (2008)

**Research projects related to *indebtedness and consumption*:**

- Researcher and focus group moderator in developing the Hungarian reference budget in the EU FP7 project “IMPROVE: Poverty Reduction in Europe: Social policy and innovation” (WP13), led by the University of Antwerp (2012-2016)
- Author of the Hungarian country report in the project: “The over-indebtedness of European households: updated mapping of the situation, nature and causes, effects and initiatives for alleviating its impact” commissioned by DG Health and Consumer through Civic Consulting (Germany) (2012)

- Country report on Managing household indebtedness for the Eurofound (European Foundation for the Improvement of Living and Working Conditions) (2011)
- Studies on the consumption of the Hungarian households within the research TARKI Household Monitor 2005 and 2007 (2006 and 2008)

**Research projects related to the *inclusion of other vulnerable groups, minorities; poverty and discrimination*:**

- Elaboration of a case study on a school scholarship programme in the project “Conditional cash transfers and their impact on children”, commissioned by the DG Employment, Social Affairs and Equal Opportunities, European Commission (2013-2014)
- Researcher in the Hungarian case study research on “Social fieldwork research: Data protection redress mechanism and their use” commissioned by European Union Agency for Fundamental Rights (FRA) through Hungarian Helsinki Committee (2012)
- Researcher in the Hungarian research of “The European Survey of Youth Mobilization” (ESYM), commissioned by British Council and coordinated by the University of St. Andrews (2010)
- Researcher in the project “Conditional cash transfers – overview of the international experiences and possible applications in Hungary”, in collaboration with the World Bank, commissioned by the Prime Minister’s Office, Hungary (2010)
- Researcher in the research “Out and In - How economical possibilities of small frontier regions were influenced by the economic and political transition”, funded by Hungarian Scientific Research Fund OTKA (2008–2011)
- Researcher in “Determinants of child poverty” in the EU commissioned by the DG Employment, Social Affairs and Equal Opportunities, European Commission (2008-2009)
- Researcher in the project “The structure of culture in Hungary – Social structure of the cultural actors”, commissioned by the Hungarian National Cultural Fund (2008)
- Co-author of the study on internet usage, title: “Digital literacy, social segmentation” to be published in the Social Report 2008
- Co-author of the report “Curves of living standard in the Hungarian society between 1992 and 2007” in the framework of the TARKI project Households Life Course Research (2008)
- Analysis of the situation of minorities in the framework of the project entitled “Balkandide: Study on Social Dimension in the Candidate Countries – Bulgaria, Romania, Croatia and Turkey” commissioned by the DG Employment, Social Affairs and Equal Opportunities EMPL E1 Unit 1, European Commission (2006)
- Project coordinator in the empirical research project entitled “Labour Market Discrimination in SMEs”, commissioned by the Hungarian National Development Agency, Economic Competitiveness Operational Programme (NFU). (2006)
- Project coordinator in the empirical research project carried entitled “Equal opportunities in local governments”, also commissioned by the Hungarian National Development Agency, Environment Protection and Infrastructure Operational Programme (NFU). (2006)

Type of business or sector for profit research centre
