Research projects related to migration:

- Leader of the *Post-Distribution Monitoring carried out for the UNICEF's Humanitarian Cash Assistance Programme for Ukrainian refugees in the Municipality of Budapest, Hungary* (2024)
- Leader of the fieldwork and analysis of UNHCR's *Multi-Sector Needs Assessment (MSNA) Report 2023 for Hungary* which covers a large-scale survey and focus group discussions with refugees from Ukraine (2023)
- Research on the *Strategies of Hungarian companies assisting to Ukrainian refugees* for United Way (2023)
- Doctoral research (independent research, without any external funding) on the refugee aid activities patterns and the evolution of solidarity in the context of the refugee crises of 2015 and 2022, using a mixed (qualitative and quantitative) methodology. (2015 – ongoing; PhD: 2023)

- Country team leader and researcher in the H2020 project KIDS4ALL: Key Inclusive Development Strategies for Life Long Learning (Grant agreement ID: 101004807). Lead partner: University of Torino, 2021-2024
- Working Group (WG) leader of the COST Action *International Ethnic and Immigrant Minorities' Survey Data Network* (ETHMIGSURVEYDATA, CA 16111), WG2: Task Force on Local-level data (Local surveys Group) (2017-2021)
 - This COST Action produced, as one of its main outputs, the Ethnic and Migrant Minorities' Survey Registry (<https://ethmigsurveydatahub.eu/emmregistry/>), which is an open data tool that renders surveys undertaken with ethnic and or migrant minorities FAIR (Findable, Accessible, Interoperable and Reusable). The EMM Survey Registry has been awarded the prize "[Open Science in research data](#)" of the French Ministry of Higher Education and Research, in its first edition, within the category "Creating the conditions for data reuse".
- Leader of the research "*Migration patterns and attitudes towards migratory movements: The case of Hungary, Poland, Lithuania and Bulgaria*" (funded by Friedrich Ebert Stiftung, 2018-2019)
- Researcher in the H2020 project *Evaluation of the Common European Asylum System under Pressure and Recommendations for Further Development* (CEASEVAL) (2017-2019), responsible for policy analysis and qualitative research among migrants.
- Leader of the *Evaluation of the Asia-Europe Migration Project* of Asia-Europe Foundation (Singapore, funded by the EU and Friedrich Ebert Stiftung) (2016)
- Researcher in the research project "*Refugee crisis in Hungary in 2015*" – with a special focus on the attitudes of Hungarian society on migration and immigrants and on the role of civil society, including grassroots volunteer movements in the helping activity during the migration flow crossed Hungary in 2015. The project is financed by the Open Society Institute Budapest Foundations (2015-2016)
- Researcher in the project "*Chances and Experiences of third-country nationals in Hungary*" funded by the European Integration Fund (2011)
- Researcher in the cross-country research project "*Concordia Discors*", which investigates the mechanisms of integration of third country nationals living in Budapest, funded by the European Integration Fund (2010-2012)
- Participant in the cross-country research project "*EUBORDERREGIONS—European Regions, EU External Borders and the Immediate Neighbours. Analysing Regional Development Options through Policies and Practices of Cross-Border Co-operation*" (FP7-SSH-2010-2, 2010-2013)
- Researcher in the collaborative research EU FP7 project entitled "*Interplay of European, National and Regional Identities: nations between states along the new Eastern borders of the EU*" (2008–2010)
- Researcher in the EU FP6 research "*IDEA: Mediterranean and Eastern European Countries as New Immigration Destinations in the EU*", with a special focus on the situation of xenophobia in Hungary and the other Visegrad countries (2006–2009)
- Researcher and coordinator of the technical coordinator team in the *Pilot Media Project* from the aspect of minorities, incl. migrants and diversity issues in 6 EU countries, commissioned by The European Union Agency for Fundamental Rights (FRA) (2008)

Research projects related to the ethnic minorities, with a focus on the Roma minority:

- Hungarian National Survey Expert of FRA Roma Survey 2024 (coordinated by Ipsos UK); European Agency for Fundamental Rights (FRA) (23-054580-01) 2024
- Senior Roma Expert and Hungarian National Survey Expert of FRA Roma 2020-2021 Survey (coordinated by Kantar Belgium SA); European Agency for Fundamental Rights (FRA) (D-SE-19-T05) 2020-2021

- Working group leader and researcher of the European research project: *R-HOME: Roma: Housing, Opportunities, Mobilisation and Empowerment* in France, Italy, Spain, Hungary and Romania (Grant Agreement number: 849199), funded by the Rights Equality and Citizenship Programme (REC), Directorate-General for Justice and Consumers of the European Commission (2019-2021)
- Working Group (WG) leader of the COST Action *International Ethnic and Immigrant Minorities' Survey Data Network* (ETHMIGSURVEYDATA, CA 16111), WG2: Task Force on Local-level data (Local surveys Group) (2017-2021). This COST Action produced, as one of its main outputs, the Ethnic and Migrant Minorities' Survey Registry.
- *Evaluation of the effectiveness of selected EU funded programs of the Hungarian Roma Strategy* (Hungarian National Inclusion Strategy: Extreme poverty, child poverty, the Roma), commissioned by the Hungarian Ministry of Innovation and Technology (2019)
- Researcher in FRANET Hungarian team (under Milieu contract) for EU Agency for Fundamental Rights in various research projects related to fundamental rights, equality, situation of minority groups etc., including the situation of the Roma, migrants and disabled people (2014-2019)
- *Mid-term evaluation of the Hungarian Roma Strategy* (Hungarian National Inclusion Strategy: Extreme poverty, child poverty, the Roma), commissioned by the Hungarian Ministry of Human Resources State Secretariat for Social Inclusion (2018)
- Leader of the complementary panel survey of the control group in the project "*Bridges to Business*", a cross-national survey on young Roma population, commissioned by Central European University (2018)
- *Developing of the monitoring system and first term evaluation of the Hungarian Roma Strategy* (Hungarian National Inclusion Strategy: Extreme poverty, child poverty, the Roma), commissioned by the Hungarian Ministry of Human Resources State Secretariat for Social Inclusion (2013-2014)
- *Methodological and data infrastructure report on Roma people* in the EU FP7 project InGRID (Inclusive Growth Research Infrastructure Diffusion) WP20 "Innovative tools and protocols for poverty and living condition" (2014-2015)
- Country expert in the research project "*Study on the diversity within the teaching profession with particular focus on migrant and/or minority background*" carried out by Ecorys UK, commissioned by DG Education and Culture of the European Commission (2015)
- Several roles in different work packages (WP) in the EU FP7 research project "*IMPROVE: Poverty Reduction in Europe: Social policy and innovation*", led by the University of Antwerp (2012-2016):
 - Leader of the work package "*Integration policies focused on Roma*" (WP10)
 - Elaborating case studies on Hungarian social innovation programmes targeting vulnerable groups in the work package on social innovation (WP11):
 - ◆ *Study halls for Roma and vulnerable children in Hungary*
 - ◆ *Charity shops as employment alternatives in Hungary*
 - ◆ *Housing First in Hungary – An international initiative to help homeless people to move into apartments directly from the street.*
- Principal investigator for UNICEF Regional Office for Central and Eastern Europe; *Analysis of MICS4 data on Roma settlements in Serbia, FYROM and Bosnia and Herzegovina* (2012-2013): The Rights of Roma Children and Women in Bosnia and Herzegovina, the former Yugoslav Republic of Macedonia, and Serbia: A comparative review and further analysis of findings from MICS surveys in Roma settlements in the three countries. The United Nations Children's Fund (UNICEF),

- Evaluation of the social policy programmes carried out in Hungary in the framework of the international project “Social innovation and mutual learning on Micro-savings in Europe” (SIMS) targeting poor Roma communities, funded by the EC, commissioned by CREDOC (FR) (2013)
- *Consultant for the improvement of the indicators of the Hungarian Roma Strategy* (Hungarian National Social Inclusion Strategy – Extreme Poverty, Child Poverty, The Roma 2011-2020), commissioned by the Ministry of Public Administration and Justice, State Secretariat for Social Inclusion (2012)
- Leader of the research on “*Development of indicators on attitudes towards Roma population*”, commissioned by the Hungarian National Development Agency (2008)
- Policy Brief on “*How to Improve the Situation of Eastern European Roma?*” within the framework of the project “European Observatory on the Social Situation” commissioned by the DG Employment, Social Affairs and Equal Opportunities, European Commission (2007)
- Project coordinator and researcher in the survey “*Monitoring of Roma scholarship holder students in Hungary*”, commissioned by the Ministry of Social Affairs and Labour (2007)
- Horizontal evaluator in the project “*Horizontal Ex-ante Evaluations of the National Strategic Reference Framework for the EU Structural Funds from 2007 to 2013*” from the aspect of the people in disadvantaged social situation, commissioned by the Hungarian National Development Agency (NFU). (2006)
- Report on *The Situation of the Roma in Central and Eastern Europe* within the framework of the project “European Observatory on the Social Situation” commissioned by the DG Employment, Social Affairs and Equal Opportunities, European Commission (2006)
- *Analysis of the situation of minorities (incl. the Roma)* in the framework of the project entitled “*Balkandide: Study on Social Dimension in the Candidate Countries – Bulgaria, Romania, Croatia and Turkey*”, commissioned by the DG Employment, Social Affairs and Equal Opportunities EMPL E1 Unit 1, European Commission (2006)
- Coordinator and researcher in the policy-oriented project entitled “*Barriers to Roma employment in Hungary*” based on qualitative methods and desk research commissioned by UNDP. The aim of the research was to provide policy recommendations and proposals on increasing the labour market involvement of the Roma in short- and mid-term. (2005)
- Coordinator of the Hungarian research in the South and Central European cross-country empirical research on Roma titled “*Survey on Vulnerable Groups: Roma, Internally Displaced Persons and Refugees in South Eastern Europe and Central Eastern Europe*” commissioned by UNDP (2004)
- Leader of the research on Hungarian minorities titled “*Evaluation of the Governmental Minority Policy by the Hungarian National and Ethnic Minorities*” commissioned by the Prime Minister’s Office. (2004)
- Leader and researcher in the empirical research on *Roma Migration in the Context of Hungarian Migration Processes* (funded by Hungarian Scientific Research Fund OTKA) (2002–2005)

Research projects related to *disabled people*:

- Researcher and fieldwork specialist in the Hungarian project “*Marginalisation of people with disabilities: changing and new mechanisms*” funded by Hungarian National Research and Development Fund (NKFIH K 132293) (2019-2023)
- Leader of the research „*Chances and possibilities of social integration of disabled people living in Budapest 9th district 'Ferencváros'*” commissioned by the District Ferencváros municipality of Budapest (2018)

- Leader of the research „*Exploratory study on the developments, programs and activities provided for disabled people in day care services in Hungary*” commissioned by the Hungarian Ministry of Human Resources State Secretariat for Social Inclusion (2017)
- Leader of the research “*New dimension in social protection towards community-based living of disabled people in Hungary*”, funded by ESF, commissioned by the Equal Opportunities of Persons with Disabilities Non-profit Ltd. Hungary (FSZK) (2015-2016)
- Project coordinator and researcher in the Hungarian wave of the research entitled „*The right to independent living for persons with disabilities*” commissioned by the EU Agency for Fundamental Rights (2015)
- Methodological expert and moderator in focus groups with people diagnosed with schizophrenia in the international research project “*Mobile Therapeutic Attention for Patients with Treatment Resistant Schizophrenia*” (m-resist), on behalf of SOTE Semmelweis Medical University, Budapest (2015)
- Leader of the survey and analysis on the situation of disabled people in Hungary for the Institute of Social Policy and Labour as a part of the Social Renewal Operational Programme 5.4.1., funded by ESF (2010-2011)
- Elaboration of basic indicators for the New Hungary Development Plan on general trust in society and prejudices towards disabled people, commissioned by the Hungarian National Development Agency (NFU). (2008)

Research projects related to the *inclusion of other vulnerable groups, minorities; poverty and discrimination*:

- Country expert in a WP on Food aid in Europe in the H2020 project EUSOCIALCIT European Social Citizenship, led by the University of Amsterdam. (2022)
- Country expert and project manager in the *FRA Third survey on discrimination and hate crime against Jews*, on behalf of Kantar Public Belgium, commissioned by the European Union Agency for Fundamental Rights (2022-2023)
- Researcher in the H2020 project EUROSHIP – Closing gaps in European social citizenship (grant agreement No 870698), led by Oslo Metropolitan University (OSLOMET) (2021-2024)
- Project leader and researcher: "The social situation of the population of Józsefváros and the diagnosis of the municipal institutional system – in the framework of complex research", commissioned by the Budapest Józsefváros Municipality. (2020-2021)
- Researcher in the project on “*Comprehensive study on homeless care services in Hungary*” funded by Hungarian Directorate-General for Social Affairs and Child Protection (2019-2020)
- Elaboration of a case study on a school scholarship programme in the project “*Conditional cash transfers and their impact on children*”, commissioned by the DG Employment, Social Affairs and Equal Opportunities, European Commission (2013-2014)
- Researcher in the Hungarian case study research on “*Social fieldwork research: Data protection redress mechanism and their use*” commissioned by European Union Agency for Fundamental Rights (FRA) through Hungarian Helsinki Committee (2012)
- Researcher in the Hungarian research of “*The European Survey of Youth Mobilization*” (ESYM), commissioned by British Council and coordinated by the University of St. Andrews (2010)
- Researcher in the project “*Conditional cash transfers – overview of the international experiences and possible applications in Hungary*”, in collaboration with the World Bank, commissioned by the Prime Minister’s Office, Hungary (2010)

- Researcher in the research “*Out and In - How economical possibilities of small frontier regions were influenced by the economic and political transition*”, funded by Hungarian Scientific Research Fund OTKA (2008–2011)
- Researcher in “*Determinants of child poverty*” in the EU commissioned by the DG Employment, Social Affairs and Equal Opportunities, European Commission (2008-2009)
- Researcher in the project “*The structure of culture in Hungary – Social structure of the cultural actors*”, commissioned by the Hungarian National Cultural Fund (2008)
- Co-author of the study on internet usage, title: “*Digital literacy, social segmentation*” to be published in the Social Report 2008
- Co-author of the report “*Curves of living standard in the Hungarian society between 1992 and 2007*” in the framework of the TARKI project Households Life Course Research (2008)
- Project coordinator in the empirical research project entitled “*Labour Market Discrimination in SMEs*”, commissioned by the Hungarian National Development Agency, Economic Competitiveness Operational Programme (NFU). (2006)
- Project coordinator in the empirical research project carried entitled “*Equal opportunities in local governments*”, also commissioned by the Hungarian National Development Agency, Environment Protection and Infrastructure Operational Programme (NFU). (2006)

Research projects in the recent past related to the *sharing or collaborative economy and solidarity economy*:

- ***Methodological and empirical research on food sharing, food resilience through the lens of reference budgets and minimum income protection*** in the work package: Inclusion through Social Policy: The making of a European social Union (WP5) in the H2020 project ***The Future of European Social Citizenship - EUSOCIALCIT*** (grant agreement No 822778), led by the University of Amsterdam (UvA), 2021-2023 <https://www.eusocialcit.eu/>
- ***Food aid in Europe in times of the Covid-19 crisis - International survey project.*** University of Antwerp and Technische Universität Dortmund, 2020-2022 <https://isep.ep.tu-dortmund.de/forschung/forschungsprojekte/food-aid-in-europe-in-times-of-the-covid-19crisis/>
- ***Practices of solidarity and collaborative economy, solidarity economy***: solidarity or care economy – research and publications within Cost Action “From Sharing to Caring: Examining Socio-Technical Aspects of the Collaborative Economy” (CA 16121) 2017-2021, <https://sharingandcaring.eu/>:
